Subject: Requesting countersignature and nomination of Chairholder, for a UNESCO Chair in Education for Sustainable Development, Japan

Dear Professor Chiba,

We have the pleasure of enclosing herewith, for your signature, (2) two original copies of the Agreement between the United Nations Educational, Scientific and Cultural Organization (UNESCO) and the Okayama University, Japan, concerning the establishment of the **UNESCO Chair in Education for Sustainable Development**.

You are, therefore, requested to co-sign the enclosed copies and return only one of them to us, at the earliest opportunity.

In order to implement the Agreement, and, as stipulated in its Article 3 regarding the appointment of the Chairholder, I would appreciate that you provide us with the CV of the candidate that the University wishes to nominate accordingly.

As to the usage of the Logo, UNESCO expects that Chairs and networks will utilize the UNESCO logo in a coherent and consistent way, making clear the type of relationship they have with the Organization. The period of this logo is limited to the period of the Agreement and any extension thereafter. All publications, papers and documents should carry the following disclaimer: *The authors are responsible for the choice and presentation of views contained in this ...and for opinions expressed therein, which are not necessarily those of UNESCO and do not commit the Organization.*

I look forward to a fruitful cooperation between our two institutions within the framework of the present Agreement, and wish you well in this endeavour.

Yours sincerely,

Georges Haddad
Director
